

Artist's Standards

Artistic

The art must demonstrate original concepts, flawless technique and reflect excellence in their chosen medium.

The focal point of the art must be original work by the artist.

Personal

The artist must be able to clearly articulate and demonstrate their creative process.

The artist must present a body of work that demonstrates originality and artistic skill.

The artist must present a resume of juried exhibits, shows, or sales.

The artist must agree to fully participate in ALL the duties and responsibilities of Artouring membership.

Practical

The artist's studio must be accessible for all Artouring clients as required by law.

The studio must be made safe and clean for Artouring clients during the Open Studio Tour.

The artist must be prepared to add both Artouring and Artown to their liability policy as additionally insured for the duration of the Open Studio Tour for the amount of one million dollars.
